BOOK CLUB AUTHOR VISITS

As a long-time member of two book clubs, and co-founder of one of them, Vindy Teja recognizes the personal, social and intellectual value of book clubs. She would be pleased to do a virtual author visit (or in-person when advisable) for your private or public book club, school group, and/or professional association.

Information and Guidelines

Please try to provide a few weeks' notice so Vindy can accommodate your meeting.

Please provide two contact names and numbers, in case there is trouble getting through to one.

Speaker phone and video chat meetings available. (In-person meetings will resume when safe to do so). For video chats, please ensure the stability of your connection before the meeting.

Though it's not necessary, feel free to forward questions to Vindy beforehand, or use the chapter end questions to choose from.

Questions to ask? There are suggested reflection questions at the end of each YOLO chapter which can be used. Another format that's worked well is when members choose 1-2 chapters or happiness hacks that resonated with - or challenged them – the most, and centre their questions around these.

The average length of an author discussion is 30 minutes to 1 hour or more.

For book clubs of 10 or more, 40 minute visits (video or speaker phone) are complimentary.

For longer visits and/or smaller groups, pricing can be customized and Vindy will do her best to accommodate your group needs and preferences. Payment is due two days before meeting (check, e-transfer or credit card).

Full refund available when 24 hours written cancellation notice is provided.
